## MECHANICAL SPECIFICATIONS

**Trim Size:** 8.5" x 11"

**Live Matter:** All type and other copy should fall within dimensions specified, but must remain a minimum of 3/8" clear of top, bottom and outside-edge trim lines.

**Bleeds:** Available at no additional cost in full-page sizes only. Ads with bleed require 1/4" bleed allowance past trim size.

**File Submissions:** All ad submissions must be 300 dpi with colors built in CMYK, Spot PMS or Grayscale.

Press PDFs are the preferred submission format for all advertising files.

Other acceptable files: TIFF and JPEG at 300 dpi.

Acceptable applications: Adobe InDesign, Photoshop or Illustrator (version CS3 or lower), QuarkXPress (version 7 or lower). We cannot guarantee correct output from any other application (such as PageMaker or any word processing applications), and ads built and submitted in such programs are subject to refusal.

**Black & White Covers:** Available only when four-color ads are not sold. Black & white ads will be moved to interior pages at prevailing rates.

**Production:** *Highway Builder* offers expert assistance in preparing or altering ads for nominal charges. Minimum charge of \$25.

**Special Position:** To guarantee position, add a 10% premium to applicable rate. All position requests are subject to approval.

**Inserts:** Advertising inserts can also be placed in *Highway Builder*. Costs for inserts are provided upon request.

**Discounts:** Advertising placed through an agency will receive a 15% discount if the account is paid within 30 days of the invoice date. Agency discounts are applicable only if the signed HB space contract lists an agency. In-house agencies are not eligible for the discount unless they have at least three other active commercial clients and submit a mailing list of those clients with the HB contract.

**Cancellations:** Ads canceled after space reservation deadlines will be billed at 100%.
